

(2) In addition to the purposes required under subsection (1) of this section, a working land conservation covenant or working land conservation easement may provide for carrying out any purposes of a conservation easement, as defined in ORS 271.715. The covenant or easement must provide for carrying out those additional purposes in a manner consistent with ORS 271.715 to 271.795.

(3) A working land conservation covenant or working land conservation easement must:

(a) Provide for regular monitoring by the organization accepting the covenant or easement to ensure that the owner of the working land is adhering to the covenant or easement provisions; and

(b) If identical in duration to a conservation management plan for the working land, refer to the conservation management plan in the text of the covenant or easement.

(4) An organization that enters into, or proposes to enter into, a working land conservation covenant or accept a working land conservation easement may apply to the Oregon Watershed Enhancement Board for a grant to fund the purchasing, implementing, carrying out or monitoring of the covenant or easement.

(5) An application under subsection (4) of this section may be combined with an application under ORS 541.981 for a grant to fund a conservation management plan associated with the working land conservation covenant or working land conservation easement. [2017 c.716 §5]

Note: See note under 541.977.

541.984 Grant programs; technical committees; rules. (1) The Oregon Watershed Enhancement Board shall establish programs to provide grants from the Oregon Agricultural Heritage Fund for the purposes of:

(a) Assisting owners of working land with succession planning for those lands;

(b) Funding the purchasing, implementing, carrying out or monitoring of conservation management plans, working land conservation covenants or working land conservation easements described in ORS 541.981 and 541.982; and

(c) Providing development funding or technical assistance to organizations that enter into or propose to enter into agreements resulting in conservation management plans, or that accept or propose to accept working land conservation covenants or working land conservation easements.

(2) The board, after consultation with the Oregon Agricultural Heritage Commission

established in ORS 541.986, shall adopt rules that establish a process for submitting and processing applications for grants under ORS 541.981 and 541.982. To the extent practicable, the board shall design the process to:

(a) Allow flexibility and responsiveness to program participant needs; and

(b) Ensure compatibility with federal working land conservation easement programs and other programs for the conservation of working land.

(3) The board and the commission, shall jointly appoint one or more technical committees to evaluate and rank conservation management plans, working land conservation covenants and working land conservation easements described in applications filed under ORS 541.981 and 541.982. The system used by the technical committee or committees shall provide for the ranking of conservation management plans to be separate from the ranking of working land conservation covenants and working land conservation easements. The ranking for a plan, covenant or easement shall be based on criteria that include, but need not be limited to:

(a) The extent to which the plan, covenant or easement would protect, maintain or enhance farming or ranching on working land;

(b) The extent to which the plan, covenant or easement would protect, maintain or enhance fish or wildlife habitat, improve water quality or support other natural resource values;

(c) The extent to which the plan, covenant or easement would protect agricultural outcomes, benefits or other investment gains;

(d) The capacity of the organization that filed the application to enter into a conservation management plan, accept a working land conservation covenant or working land conservation easement, and the competence of the organization;

(e) The extent to which the benefit to the state from the investment may be maximized, based on the ability to leverage grant moneys with other funding sources and on the duration and extent of the conservation management plan, working land conservation covenant or working land conservation easement; and

(f) The extent and nature of plan, covenant or easement impacts on owners or operators of neighboring lands.

(4) The criteria for ranking conservation management plans, working land conservation covenants or working land conservation easements under subsection (3) of this section may not include a consideration of the
