

this section, the water right holder rebutting the presumption under this paragraph shall provide documentation that the water right holder's land was withdrawn from use under a federal reserve program.

(f) The end of the alleged period of nonuse occurred more than 15 years before the date upon which evidence of nonuse was submitted to the commission or the commission initiated cancellation proceedings under ORS 540.631, whichever occurs first.

(g) The owner of the property to which the water right was appurtenant is unable to use the water because the use of water under the right is discontinued under an order of the commission under ORS 537.775.

(h) The nonuse occurred during a period of time within which the water right holder was using reclaimed water in lieu of using water under an existing water right.

(i) The nonuse occurred during a period of time within which the water right holder was reusing water through land application as authorized by ORS 537.141 (1)(i) or 537.545 (1)(g) in lieu of using water under an existing water right.

(j) The owner or occupant of the property to which the water right is appurtenant was unable to make full beneficial use of the water because water was not available. A water right holder rebutting the presumption under this paragraph shall provide evidence that the water right holder was ready, willing and able to use the water had it been available.

(k) The holder of a water right is prohibited by law from using the water. If the prohibition is subject to remedial action that would allow the use of the water, the water right holder shall provide evidence that the water right holder is conducting the remedial action with reasonable diligence.

(L) The nonuse occurred during a period of time within which the exercise of all or part of the water right was not necessary due to climatic conditions, so long as the water right holder had a facility capable of handling the full allowed rate and duty, and was otherwise ready, willing and able to use the entire amount of water allowed under the water right.

(m) The nonuse occurred during a period of time within which the water was included in a transfer application pending before the Water Resources Department.

(n) The nonuse of a supplemental water right occurred during a period of time when the primary water right used in conjunction with that supplemental water right was leased as an in-stream water right pursuant to ORS 537.348.

(3) Notwithstanding subsection (1) of this section, if the owner of a perfected and developed water right uses less water to accomplish the beneficial use allowed by the right, the right is not subject to forfeiture so long as:

(a) The user has a facility capable of handling the entire rate and duty authorized under the right; and

(b) The user is otherwise ready, willing and able to make full use of the right.

(4) The right of all cities and towns in this state to acquire rights to the use of the water of natural streams and lakes, not otherwise appropriated, and subject to existing rights, for all reasonable and usual municipal purposes, and for such future reasonable and usual municipal purposes as may reasonably be anticipated by reason of growth of population, or to secure sufficient water supply in cases of emergency, is expressly confirmed.

(5) After a water right is forfeited under subsection (1) of this section, the water that was the subject of use shall revert to the public and become again the subject of appropriation in the manner provided by law, subject to existing priorities. [Amended by 1985 c.689 §5; 1987 c.339 §4; 1989 c.699 §1; 1989 c.833 §61a; 1991 c.370 §6; 1995 c.356 §2; 1995 c.366 §1; 1997 c.42 §5; 1997 c.244 §5; 1997 c.283 §1; 1999 c.335 §3; 1999 c.804 §§3,4; 2005 c.222 §1; 2005 c.542 §70; 2005 c.625 §70]

540.612 Exemption from forfeiture. If a district, as defined in ORS 540.505, petitions for a transfer as provided in ORS 540.574 no later than the end of the calendar year of the fifth year of nonuse under ORS 540.610 (1), the forfeiture provisions of ORS 540.610 shall not apply to the lands from which the water right is sought to be transferred pending approval of the district's petition. The time required for the processing of the petition, including any time required for hearings, appeals and completion of an authorized change, shall not be included when computing a five-year period of nonuse under the provisions of ORS 540.610 (1). [1991 c.957 §11]

540.615 [1961 c.140 §1; 1987 c.339 §5; repealed by 1989 c.699 §4]

540.620 [Repealed by 1955 c.671 §1]

540.621 Cancellation of abandoned water right upon request of owner. Whenever the owner of a perfected and developed water right certifies under oath to the Water Resources Commission that the water right has been abandoned by the owner and that the owner desires cancellation thereof, the commission shall enter an order canceling the water right. Effective upon the date of the entering of such order, the water which was the subject of use under the water right shall revert to the public and become again the subject of appropriation in the manner
