

liminary analysis of the application that addresses the factors under ORS 537.803 and any other information the commission considers relevant. The preliminary analysis, or a reasonable summary, shall be published at the applicant's expense for two consecutive weeks in a newspaper of general circulation in the basin of origin of the proposed appropriation, diversion or impoundment.

(3) Following publication, the commission shall conduct a public hearing at the applicant's expense, in the basin of origin. The hearing shall be for comment on the factors analyzed under ORS 537.803 and standards that otherwise apply to the proposed appropriation or transfer.

(4) After considering the application, the information generated during the comprehensive review of the application, all comments received at the hearing and written comments received within 20 days after the date of the public hearing, the commission shall:

(a) If the application requires legislative approval under ORS 537.810, submit a report to the Legislative Assembly that addresses all factors analyzed under ORS 537.803 and recommends whether to approve or deny the application for use of water outside the basin of origin; or

(b) If the application does not require legislative approval under ORS 537.810, approve or deny the application in accordance with the procedures and standards that otherwise govern the application, giving due consideration to factors set forth in ORS 537.803. [1989 c.936 §5; 2011 c.52 §5]

537.807 [1989 c.939 §6; repealed by 1991 c.200 §3]

537.809 Reservation of water in basin of origin. Before approving or recommending approval of an application subject to ORS 537.803, the Water Resources Commission shall reserve an amount of water adequate for future needs in the basin of origin, including an amount sufficient to protect public uses, and subordinate the out-of-basin use to that reservation. [1989 c.936 §6]

537.810 Diversion or appropriation of waters from basin of origin without legislative consent prohibited; terms of consent; exceptions. (1) No waters located or arising within a basin shall be diverted, impounded or in any manner appropriated for diversion or use beyond the boundaries of that basin except upon the express consent of the Legislative Assembly. In the event the Legislative Assembly shall give its consent to any such request it may attach thereto such terms, conditions, exceptions, reservations, restrictions and provisions as it may care to make in the protection of the natural

resources of the basin and the health and welfare of the present and future inhabitants of the basin within which the water arises or is located.

(2) Subsection (1) of this section shall not apply to appropriations or diversions of less than 50 cubic feet per second out of the basin of origin.

(3) Subsection (1) of this section shall not apply to appropriations or diversions within the Klamath River Basin as defined in ORS 542.620 or within the Goose Lake Basin as defined in ORS 542.520, so long as those statutes remain in effect.

(4) This section shall not apply to an appropriation or diversion by a city to facilitate regional municipal water service if the city has historically transported water between the basin of origin and proposed receiving basins identified in the application. [Amended by 1989 c.936 §7]

537.820 Application of provisions to waters forming common boundary between states. ORS 537.801 to 537.860 shall also apply to the waters located within the boundaries of this state of any river, stream, lake or other body of water serving as part of the common boundary of this state and any other state and over which this state has concurrent jurisdiction, except that said sections shall not apply to the diversion, impoundment or appropriation of waters for the development of hydroelectric energy, flood control, irrigation or other uses in waters forming a boundary of the state in cases where such waters are not to be diverted from the drainage basin wherein such waters are located.

537.830 Condemnation of waters for use outside basin of origin. No person, or agency of any state or of the United States, shall attempt to condemn any waters within the boundaries of this state for use outside the basin of origin without first complying with the requirements of ORS 537.801 to 537.810 and this section. [Amended by 1989 c.936 §8]

537.835 City of Walla Walla, Washington, may appropriate, impound and divert certain waters from Mill Creek. (1) Pursuant to the provisions of ORS 537.810, consent is hereby given to the City of Walla Walla, a municipal corporation of the State of Washington, to appropriate, impound and divert certain waters from Mill Creek, a tributary of the Walla Walla River, located in Township 6 North, Range 38, E.W.M., Umatilla County, Oregon, for the beneficial use of both the State of Oregon and within the City of Walla Walla, State of Washington, subject to the following terms and conditions:
