

## APPROPRIATION OF WATER GENERALLY

537.585	Beneficial use of ground water prior to August 3, 1955, recognized as right to appropriate water when registered	537.742	Contested case proceeding to limit use of ground water in critical ground water area
537.595	Construction or alteration of well commenced prior to August 3, 1955, recognized as right to appropriate water when registered	537.745	Voluntary agreements among ground water users from same reservoir
537.605	Registration of right to appropriate ground water claimed under ORS 537.585 or 537.595; registration statement	537.746	Mitigation credits for projects in Deschutes River Basin; relationship to water made available; rules; annual report
537.610	Recording registration statement; issuing certificate of registration; effect of certificate; rules; fees	(Deschutes Basin Ground Water Study Area)	
537.615	Application for permit to acquire new right or enlarge existing right to appropriate ground water; plans and drawings	(Temporary provisions relating to the Deschutes Basin ground water study area are compiled as notes following ORS 537.746)	
537.620	Determination of completeness of application; initial review; preliminary determination; notice; public comments	(Water Well Constructors)	
537.621	Review of application; proposed final order; presumption; rebuttal; findings and conclusions; flow rate and duty; standing; protest; final order; contested case hearing	537.747	Water well constructor's license; rules; fees
537.622	Contested case hearing; parties; issues	537.750	Examination for license
537.625	Final order; appeal; contents of permit	537.753	Bond or letter of credit; landowner's permit and bond; fee
537.626	Exceptions to final order; modified order	537.762	Report of constructor before beginning work on well; rules; fees
537.627	Time limit for issuing final order or scheduling contested case hearing; extension; writ of mandamus	537.763	Water Resources Department Operating Fund
537.628	Terms; conditions; time limit for issuing final order after contested case hearing	537.765	Log of constructing, altering, abandoning or converting well; furnishing samples to Water Resources Commission
537.629	Conditions or limitations to prevent interference with other users	(Well Constructors Continuing Education Committee)	
537.630	Time allowed for construction work under permit; extension; certificate of completion; survey; ground water right certificate; requirements for supplemental water right	(Temporary provisions relating to the Well Constructors Continuing Education Committee are compiled as notes following ORS 537.765)	
537.635	Assignment of application, certificate of registration or permit	(Local Regulation)	
537.665	Investigation of ground water reservoirs; defining characteristics and assigning names and numbers	537.769	Local regulation of wells and water well constructors
537.670	Determination of rights to appropriate ground water of ground water reservoir	(Regulation of Ground Water Wells)	
537.675	Determination of rights in several reservoirs or of critical ground water area in same proceeding	537.772	Pump tests; report; rules for waiver
537.680	Taking testimony; inspecting evidence; contesting claim	537.775	Wasteful or defective wells; permanent abandonment of old well
537.685	Findings of fact and order of determination	537.777	Regulation of controlling works of wells and distribution of ground water
537.690	Filing evidence, findings and determinations; court proceedings	537.780	Powers of Water Resources Commission; rules; limitations on authority
537.695	Conclusive adjudication	537.783	Reinjection of geothermal fluids; rules and standards; water pollution control facilities permit
537.700	Issuing ground water right certificate	537.785	Fees
537.705	Ground water appurtenant; change in use, place of use or point of appropriation	537.787	Investigation of violation of ground water laws; remedies for violation
537.720	Violation of terms of law or permit or certificate; action by Water Resources Commission	537.789	Well identification number
537.730	Designation of critical ground water area; rules; notice	537.791	Request for well identification number
537.735	Rules designating critical ground water area	537.793	Effect of failure to comply with ORS 537.789 or 537.791
537.740	Filing rules designating critical ground water area	537.795	ORS 537.505 to 537.795 supplementary
		537.796	Rules regarding low temperature geothermal appropriations
		WATER RIGHT EXAMINERS; SURVEYS	
		537.797	Criteria for certification of land surveyors, engineers and geologists to determine work completion; rules
		537.798	Water right examiner certificate; regulation of profession; rules; fees
