

(b) Each state agency and political subdivision ordered to implement a water conservation or curtailment plan shall file with the Water Resources Commission such periodic reports regarding implementation of the plans as the commission or the Governor may require.

(3) Orders provided for in subsection (2) of this section and curtailments, adjustments, allocations and regulations ordered pursuant thereto shall be designed insofar as practicable not to discriminate within any class of consumers.

(4) It is the intent of the Legislative Assembly that curtailments, adjustments, allocations and regulations ordered pursuant to subsection (2) of this section be continued only so long as a declaration by the Governor of the existence of severe, continuing drought is in effect.

(5) The Governor may direct individual state agencies and political subdivisions of this state to seek enforcement of all orders and regulations issued pursuant to ORS 536.780 and subsection (2) of this section. [1977 c.541 §2; 1985 c.673 §20; 1989 c.87 §7]

**536.730 Effect of emergency powers on vested water rights.** Except as provided in ORS 536.740 and 536.750, nothing in ORS 536.700 to 536.780 is intended to permit the Governor or the Water Resources Commission to hinder the ability of any holder of a vested water right to obtain and use legally assured benefits of that right. [1977 c.541 §4; 1989 c.87 §8]

**536.740 Governor's authority to declare drought.** Upon finding that a need exists for statewide coordination of water resource conservation measures by municipal and other political subdivisions of this state in order to minimize problems caused by a severe shortage of water, the Governor may declare that a severe, continuing drought exists or is likely to exist. [1989 c.87 §2]

**536.750 Powers of commission after declaration of drought; rules.** (1) Notwithstanding any provision of ORS chapters 536 to 543A, after a declaration that a severe, continuing drought exists, the Water Resources Commission may:

(a) Issue without first conducting a hearing under ORS 537.170, a temporary permit for an emergency use of water;

(b) Allow a temporary change in use, place of use or point of diversion of water without complying with the notice and waiting requirements under ORS 540.520;

(c) Notwithstanding the priority of water rights, grant preference of use to rights for human consumption or stock watering use;

(d) Waive the notice requirements under ORS 537.753 and the report required under ORS 537.762;

(e) Allow a temporary exchange of water without giving notice as required under ORS 540.535; and

(f) Utilize an expedited notice and waiting requirement established by rule for the substitution of a supplemental ground water right for a primary water right under drought conditions in place of the notice and waiting requirement provided in ORS 540.524.

(2) The commission by rule may establish procedures for carrying out the provisions of this section and a schedule of fees that must accompany a request under subsection (1) of this section. [1989 c.87 §3; 1999 c.873 §20; 2001 c.788 §1]

**536.760 Cessation of actions taken under ORS 536.750.** Any action taken under ORS 536.750 may be carried out only during the period of severe, continuing drought. After the drought, any water use undertaken under ORS 536.750 must cease or comply with the applicable provisions of ORS 537.110 to 537.252, 537.505 to 537.795 and 537.992 or 540.520 and 540.530. [1989 c.87 §4]

**536.770 Purchase of option or agreement for use of water permit or right during declared drought; application; fee.**

(1) The Water Resources Commission or a local government, public corporation or water right holder may purchase an option or enter an agreement to use an existing permit or water right during the time in which a severe, continuing drought is declared to exist.

(2) A local government, public corporation or water right holder proposing to purchase an option or enter an agreement under this section shall submit to the commission an application accompanied by the fee required under ORS 536.050 (1)(a).

(3) After approval of the application by the commission, the option or agreement user:

(a) Is not required to construct any diversion or appropriation facilities or works;

(b) May use the water acquired under the option or agreement on property or for a use different than allowed in the permit or water right transferred under the option or agreement, if the water is used to replace water not available to the local government, public corporation or water right holder because of the drought; and

(c) May begin use at any time after approval by the commission so long as the total use by the water right or permit holder and the option or agreement user is within the
