Chapter 543A

2017 EDITION

Reauthorizing and Decommissioning Hydroelectric Projects

	GENERAL PROVISIONS	543A.100	Final application for water right; application for water quality certification
	Definitions	549A 105	Hydroelectric Application Review Team
543A.010	Findings	945A.109	review of final application; unified state
543A.015	Purpose		position in federal proceeding
543A.020	Policy	543A.110	Water quality certification
	Minimum standards for decision on reauthorization of water right; rules	543A.115	Final unified state position
P	WATER RIGHT APPLICATION PROCESS FOR REAUTHORIZING A STATE PROJECT		PROCESS FOR COMPLETING AUTHORIZATION OF WATER RIGHT DR EITHER STATE OR FEDERALLY LICENSED PROJECT
543A.030	Notice of intent	543A.120	Proposed final order
	Reauthorization application and public comment	543A.125	Approval or rejection of application for reauthorization
543A.040	Process determination	543A.130	Contested case hearing; final order
543A.045	Public scoping meeting	543A.135	Exceptions to final order
543A.050	Application report	543A.140	Terms, limitations and conditions of water right
	Hydroelectric Application Review Team	543A.145	Water right certificate
	review of application; draft proposed final order; public comment		Modification of time limits
WAT	FER RICHT APPLICATION PROCESS		DECOMMISSIONING
	TER RIGHT APPLICATION PROCESS OR REAUTHORIZING A FEDERALLY	543A.300	DECOMMISSIONING Decommissioning: rules
			Decommissioning; rules
